

T Series TO-Can 975nm 650mW

Single-mode, Continuous Wave (CW)

Ontical Flectrical Characteristics **

Optical Electrical Characteristics					
Parameter	Unit				
Wavelength	nm				
Operating Power	mW				
Operating Current*	mA				
Operating Voltage	V				
Threshold Current	mA				
Slope Efficiency	W/A				
Vertical Far Field @FWHM	deg ^o				
Horizontal Far Field @FWHM	deg ^o				

650mW Тур 975 650 1050 1200 1.7 2.2 50 70 0.65 28 9

Absolute Maximum Ratings

Parameter	Unit	Condition	Min	Тур	Max
Operational Temperature***	οС	CW	-20	25	50

* Please note that CW lasers may be damaged by excessive drive current or switching transients.

9mm (M9T)

M9T-975-0650-R5P

Features &Options

- AIN Carrier on CU submount
- AuSn Bonding
- Hermetically sealed package
- AR Coated window
- Optional Photodiode
- **Optional Microlens**

This datasheet is for general reference only. Specifications are subject to change without notice. Product subject to availability. Visit sheaumann.com or contact sales@sheaumann.com for more information on products and services.

Safety Warning
Laser light emitted from any laser diode is invisible and may be harmful to the human eye. Avoid looking directly into the laser aperture when the device is in operation.
The use of optical instruments with this product will increase eye hazard.

The primary cause of diode failure is unexpected electrostatic discharge. To help prevent device failures, the user should always wear an ESD wrist strap, ground all applicable work surfaces and follow anti-static techniques when handling diode lasers.

Operation Consideration
Operating the laser beyond the limits of the provided specifications may result in device failure or a safety hazard and
will void warranty. Devices must be passively or actively cooled in accordance with the provided specifications. Failure
to comply with heatsinking requirements may result in device failure.

Warranty
Due to the delicate nature of laser diodes, Sheaumann offers a limited warranty for all products. Please refer to our
Terms and Conditions for full details.

Compinance Notice These products are intended solely as a component of an electronic product and are not certified in accordance with IEC 60825-1 or 21 CFR 1040.10/21 CFR 1040.11. These products are subject to Export Administration Regulations (EAR) and will require a Destination Control Statement or End User Agreement for each sales order.
